Handyman Services: Start to Finish

Handyman work handles small repairs, installs, and quick upgrades without a full remodel. Here is how a typical visit works, plus example timelines and prices.

Step 1: Request and Scope

You tell us the tasks. We confirm details with photos or a quick call and give a clear estimate or hourly rate with a minimum service charge.

Materials: No materials yet. We confirm if you are supplying items such as faucets, light fixtures, shelves, or hardware.

Typical cost: Many visits have a minimum of \$125 to \$250. Hourly rates in Los Angeles commonly fall between \$75 and \$125 per hour depending on complexity and number of tasks.

Timeline: Same day to 1 week to schedule, based on availability.

Step 2: Arrival and Protection

We arrive during the agreed window, protect floors and work areas, and confirm the task list.

Materials: Floor protection, drop cloths, basic tools, anchors and fasteners.

Typical cost: Included in the visit minimum or hourly rate.

Timeline: 15 to 30 minutes.

Step 3: Work Performed

We complete tasks such as installing fixtures, patching drywall, mounting TVs, repairing doors and trim, or small carpentry.

Materials: Typical items include anchors, screws, patch compound, caulk, and minor electrical supplies. Specialty parts may be added as needed.

Typical cost: Hourly or flat rate per task. See examples below.

Timeline: 1 hour to 1 day for most small jobs.

Step 4: Cleanup and Final Review

We clean up the work area, test everything, and walk through the results with you.

Materials: Trash bags and basic cleaning supplies.

Typical cost: Included in the visit minimum or hourly rate.

Timeline: 15 to 30 minutes.

Example Handyman Pricing in Los Angeles

Task	Typical Price Range (Labor Only)
Install faucet or disposal (customer supplies unit)	\$150.00 to \$350.00
Replace light fixture or dimmer (customer supplies unit)	\$125.00 to \$300.00
TV mount with cable concealment (customer supplies mount)	\$150.00 to \$300.00
Drywall patch 2 ft by 2 ft, ready for paint	\$200.00 to \$450.00
Repair or replace interior door hardware	\$100.00 to \$200.00
Small carpentry or trim repairs per hour	\$75.00 to \$125.00

***Prices exclude materials and sales tax. Minimum visit charges commonly apply.**

Fixtures and Accessories

Fixtures and accessories such as faucets, light fixtures, hardware, shelves, and TV mounts are selected and purchased by the homeowner. This lets you pick the exact style and brand. We handle installation.
